

Underwriting Occupation Classes

Investments

As the leading provider of Individual Income Protection, we are continuously looking to improve our products and services to ensure efficiency in our underwriting and new business processes.

This guide is designed to help you correctly classify your customers occupation and ensure we can process your business as quickly and efficiently as possible. This guide will be kept up to date within both our Quotations and New Business Online applications at **brokerfirst.ie**

If you require any further assistance regarding an occupational classification or need additional medical or financial advice, please contact our

Underwriting Help Line on 1890 54 54 84

CLASS 1: No accident or health risk, largely professional, administration and clerical workers (e.g. administrator, bank official).

CLASS 2: As above but with driving or travel in addition (e.g. beautician, sales representative, retail assistant, chef).

CLASS 2 Exclusion: A mental or functional nervous disorder applies to this occupation class.

CLASS 3: Moderate accident or health risk - largely skilled occupations of a manual nature or semi-skilled occupations involving a moderate degree of manual work (e.g. electrician, nurse).

CLASS 4: Appreciable accident or health risk involving physically strenuous work - largely this will involve semi-skilled occupations of a predominantly manual nature or certain unskilled occupations where the physical hazard appears acceptable (e.g. builder, plumber, carpenter).

DECLINE: Unable to quote for this occupation class.
