Here's some more information on some of the companies whose names you may not recognise but whose brands you will:

PPR

PPR develops a portfolio of high profile luxury brands including Gucci, Yves St Laurent, Alexander McQueen and La Redoute. The group has a presence in 90 countries worldwide.

Unilever

Unilever owns many of the world's best known household brands including Flora, Knorr, Hellmans, Comfort, Domestos, Vaseline and Dove. Each day people in 150 countries around the world use Unilever products to feed their families and clean themselves and their homes.

Kingfisher

Kingfisher is a home improvement retail group with a significant presence in Europe and Asia. Its well known B&Q business in UK, Ireland and China is complemented with other local brands such as Castroma in France, Poland, Italy and Russia, along with BricoDepot in Spain.

Research In Motion

Research In Motion (RIM) is involved in the design and manufacture of wireless solutions for the worldwide mobile communications market and is perhaps best known for producing the BlackBerry which gives users wireless access to email, phone and to web and organiser features.

GlaxoSmithKline

GlaxoSmithKline plc is a British-based pharmaceutical, biological, and healthcare company which produces a broad portfolio of pharmaceutical products covering anti-infectives, central nervous system, respiratory, gastro-intestinal/metabolic, oncology and vaccines products. It also has a Consumer Healthcare operation comprising leading oral healthcare products, nutritional drinks and over the counter (OTC) medicines. Well known GlaxoSmithKline brands include Panadol, Horlicks, Aquafresh, Lucozade and Ribena.

Continental

Continental is one of the world's largest manufacturers of tyres for cars, trucks, bicycles and agricultural products. Continental sells its tyres under the Continental, Uniroyal and General brands to auto-manufacturers such as BMW, Daimler and Ford.
